PROFESSIONAL EXPERIENCE EMPLOYMENT HISTORY:

06/2024 – Current

Owner, Beaver Creek Endodontics

Edwards, CO

- Provide comprehensive endodontic services to support the patient population of Eagle County, Colorado and the surrounding communities.
- Serve as a source for emergency dental services for patients experiencing dental pain and following trauma.
- Develop and implement a continuing education program on vital pulp therapy and advances in modern endodontics for the surrounding dental community.

06/2022 – 05/2024

Resident, UMKC SOD Advanced Education in Endodontics

Kansas City, MO

- Provide routine and emergency endodontic services to support the patient population of University of Missouri-Kansas City.
- Identify and investigate the clinical impact of novel irrigants on the bond strength of composite resins to root canal dentin.
- Develop and implement a novel curriculum to students selected to participate in the UMKC SOD Endodontic Honors program.
- Teach pre-doctoral didactic courses on endodontic sciences and assist in the pre-clinical simulation lab.

06/2020 - 06/2022

Group Dental Surgeon: 10th Special Forces Group

Fort Carson, CO

- Provide comprehensive dental services and manage the dental readiness for over 2,500 Service Members located at Fort Carson, CO, Stuttgart, Germany and globally deployed.
- Develop and implement dental training to Special Forces Medical Sergeants (18D) to improve their capability to address dental emergencies and trauma in hostile and austere environments.
- Maintain and advance deployable dental equipment and capabilities to provide oral health services in remote, austere environments with limited access to utilities and resupply.

06/2018 - 06/2020

Resident: Comprehensive Dentistry Residency, AEGD-2 Year Fort Bragg, NC

- Manage the comprehensive treatment planning and care for complex case referrals at Fort Bragg and Pope Army Airfield.
- Complete didactic requirements to challenge and pass the ABGD written board.
- Conduct, complete and present research on opioid prescribing habits of U.S. Army Dental Corps providers.
- Develop and execute COVID response strategies to provide dental sick call services for 50,000+ Soldiers in effort to reduce impact on installation deployability and lethality. 06/2017 - 06/2018

Executive Fellow: Office of the Chief, U.S. Army Dental Corps Ft. Sam Houston, TX

- Serve as the face of Junior Officers within the U.S. Army Dental Corps, representing approximately 600 dental Officers with less than 10 years in service to senior staff and leadership.
- Design and execute strategic messaging to communicate developments within the U.S. Army Dental Corps to the 1,200 U.S. Army dentists stationed across the globe.
- Organize and manage the executive calendar and travel of the U.S. Army Dental Corps Chief to better enable completion of strategic missions.
- Review and provide guidance to senior leaders on clinical and strategic policy as they apply to the Junior Officer.

04/2016 - 09/2016

Deployed Dental Officer: 502nd Dental Company (Area Support) Camp Buehring, KU

- Serve as primary dentist for 5,000+ Soldiers forward deployed to Camp Buehring, Kuwait, ensuring immediate access to comprehensive oral health care services.
- Support emergency dental sick call for Camp Buehring to enable continuous access for Soldiers to allow minimal impact on mission capability or unit deployability.
- Draft and publish comprehensive standard operating procedures for the Camp Buehring dental clinic.
- Provide continuing education on dental local anesthesia and trauma management to forward deployed medics and auxiliary healthcare personnel improving their capability to treat maxillofacial trauma in austere environments.

06/2014 - 04/2016, 09-2016 - 06/2017

General Dental Officer: Fort Sill Dental Health Activity Fort Sill, OK

- Provide dental readiness services to the greater than 15,000+ annual Soldiers completing Basic Training and Advanced Individual Training at Fort Sill, OK.
- Design and implement didactic and clinical training for the Red Cross Dental Assistant Training Program to produce certified dental assistants for the Fort Sill Dental Health Activity.
- Assist in the management of a 30 chair dental clinic and management of 40 civilian and U.S. Army employees.
